A Few Facts

AI at the Service of Art Lovers and Artists

For Art Lovers: Semantic search, artwork contextualization, and innovative tools like YourMatch, YourPortrait, and YourGift to explore, discover, and select pieces.

For Artists: Iris, an AI assistant designed to spark creativity and enrich their universe of references.

The marketplace facilitates sales in 78 countries, including France, Europe, the United States, China, Mexico, Brazil, and more.

With 1.1 million followers, Artmajeur by YourArt's social media channels share curated selections, interviews, studio visits, events, and updates from partners.

The magazine, published quarterly (48 pages) and complemented by a daily online version, highlights the art market, platform artists, and expert curations from the contemporary art scene.

Every week, an expert or collector reveals a **curated selection** and shares their favorites, offering visitors a fresh and enriching perspective.
